Commissioner for Patents

The 7/6/05 Reply Brief was reviewed. Examiner agrees that the grounds of rejections in Section 10.a1 should be 35USC 102(e) and not 35 USC 102(b). Examiner agrees that the Patent Number 5,327,486 in Section 10.a1 should be 5,559,860.

With respect to the new grounds of rejection in Section 10.b1, Examiner respectfully disagrees with the arguments and believes that the rejections should be sustained. Similarly, Examiner disagrees with the arguments with respect to the rejections in Section 10.a1 and also believes that the rejections should be sustained.
